LECTURE AT CITY SCHOOL WEDNESDAY

Rev. J. H. Mac Neill Will Speak on
"Daniel." Citizens Are
Invited.

Rev. J. H. Mac Neill will lecture at the High School chapel Wednesday evening at 8:15 o'clock on "Daniel." In addition to the promised treat of a great Bible story, there will be interesting exercises by the pupils of several grades.

A number of friends and one patron of the school have attended these Wednesday morning exercises in the past.

Let mothers and fathers as well as their well-wishers of the City School manifest their interests in school work by attending these exercises. Last Wednesday one teacher was very proud of the fact that three friends including one mother, visited her room for a short time.

Many of the grades rarely have a visitor and it is to be hoped that parents will make the teachers of these grades happy by visiting their rooms some Wednesday—the day known as Parents Day—in the near future.

PREACHES ON BACKSLIDING

Dr. Porter, of Lexington, Has Large Audience—Meeting Again Tonight.

Dr. Porter, of Lexington, preached to a large and interested audience at the First Baptist Church Monday night. Revival services are being held at this church and will continue for two weeks. Dr. Porter is one of the greatest orators of the Baptist denomination and holds his audience from the beginning to the end of his discourse. All are invited to the Tuesday evening meeting.

Dr. Porter took for his subject, "Backsliding" and selected as his text, Judges 16:20. "And he wist not that the Lord has departed from him." Dr. Porter said in part:

Not Confined to Religious.

Backsliding is not confined to the religious world. The man who, by bad management loses his money, is a financial backslider. The person who has had a place in the social world, and by doubtful deeds, begins to lose cast, is a social backslider. A man who may have been a regular Apollo, gradually loses his health, and becomes a physical backslider.

The worst type of backslider, is the man or woman, who has known God and enjoyed religion, and who loses the joy of salvation and service. There are really two kinds of backsliding, conscious and unconscious; and these may be periodic or chronic. We have all, at one time, or another been conscious of backsliding. Whether we call it falling from grace, or in grace, we have been conscious of losing power with God and man. It is worthy of note that we never lose power with men, until we have lost power with God. We usually fall out with God, before we fall out with God's people.

May Begin Anywhere.

Backsliding may begin anywhere, in the church house or out of it. Satan's backsliding began in heaven, Adam's in the garden of Eden, Peter's by the very side of Christ. If we were not in a backsliden state, we would feel, that Christ was in the aisles, God in these pews, and the Holy Spirit, in every portion of this building.

Probably unconscious backsliding, is the worst malady, with which a mortal may be afflicted. It means a deadening of the moral sensibilities, and an inability to distinguish between the niceties of right and wrong. A lady remarked to Turner, the great painter, that she had never seen such colors, in nature as he had in his painting. He replied, "No, but don't you wish you could." She was minus the artist instinct. The moral nerve may become deadened, and our spiritual taste depraved.

Can You Talk to Child.

Can you take the child in a room, alone, not alone, for God will be there, and talk to that child about the salvation of the soul? If not, it is a sure sign, that you are a backslider. If I could not talk to my child about Christ, I would get down on my knees and apologize to the child, for the Christless life I had lived, and the Godless example that I had set.

Backsliding gives no warning of its approach, and is more insidious than the wild beast of the forest. The eagle gives its scream, before it pounces upon its victim; the deadly rattle snake gives its rattle of warning; the viper its hiss, and the tiger its growl, but backsliding comes unheralded and captures the heart.

Chief Cause of Backsliding.

One of the chiefest causes for backsliding is the neglect of church relations. It requires neither brains nor religion to criticize the church. Some people are born in the objective case; they object to everything living, and will likely object to dying. I knew a lady, whose handshake, was suggestive of a congestive chill, and yet she constantly complained at the coldness of the church members. An iceberg will naturally chill the water with which it comes in contact. People who move to town, and will not unite with the church presents another kind of backslider. They are like matches, that will only strike on their own box. There may be bad people in the church, but the best people are also there. I would rather be the worst of a good crowd, than the best of a bad crowd.

Another Cause of Backsliding.

Another common cause for backsliding, is an unforgiving spirit. Unforgiveness eats into the souls as cancer consumes the body. Even Pilate and Herod made friends over the dead body of Christ. When we pray, "Forgive us as we forgive those who trespass against us," we ask God to forgive us, in like manner as we have forgiven others; and if we have

not forgiven others, we have asked God not to forgive us. Malice and meanness are inseparable.

But whatever our backslidings, God has promised to heal them, and our own experience has justified us in believing this. Sampson's strength was restored and even his death was worth more to God and his people than all he had accomplished in his life. Even our backslidings may become blessings. I have seen the freight train, when it was unable to go over a grade, run far back, and get an impetus that would carry it over the grade. I have seen the zig zag lightning, going backward and forward, but all the time gathering strength to smite the mighty oak. Even home, seems sweeter, when we have long been away from it. Scars are the signs of service. Your hope, may be as the spark beneath the ashes, but the Spirit shall fan it again, to greater life and brighter flame. The blessed memories of other days will assert themselves.

Discusses Reconciliation.

A husband and wife, who had been separated, were discussing a reconciliation, but apparently had failed in preparing to leave the house, he was trying to arrange his muffer about his neck, before going out into the cold. The wife, forgetting for a moment, their differences, assisted him in arranging the muffer. The little act of kindness, brought to life their buried love; and they returned to the old home, to pursue again, the journey of life together.

At conclusion of the sermon, Dr. Porter requested every one present, who was conscious of backsliding, and wished to have restored unto them the joys of salvation, and to be more useful in the world, to come forward and give their hand to the pastor and himself. Nearly everyone present responded to the invitation.

TWENTY-ONE YEARS AS PASTOR OF ONE CHURCH

Rev. H. D. Clark is Beloved Pastor of Christian Church at Mt. Sterling.

MT. STERLING, Ky., Nov. 10.—Rev. H. D. Clark, of this city, just finished his twenty-first year as pastor of the Christian Church in Mt. Sterling and will continue to serve that congregation. On the day of the anniversary Rev. Mr. Clark preached the same sermon he delivered on his visit to this city 21 years ago. Rev. Mr. Clark is one of the ablest ministers of the Christian Church in the South and is greatly beloved by all the citizens of Mt. Sterling, who hope he may spend his remaining years in the service of God among us.

Farmer is Hurt.

Mr. Mat Ford, of the Aaron's Run neighborhood, a prominent and successful farmer, met with a severe accident while working with a young mule. The obstreperous animal kicked him in the side, breaking several ribs and bruising him up considerably. He will be laid up several days.

Postmaster Arrested.

Mr. Grant Triplett, postmaster at Morris Ferry, Bath county, was tried here before United States Commissioner Henry S. Wood on the charge of selling whisky without paying the Government tax thereon. He was held over to Federal Court at Catlettsburg, in the sum of \$500 bond, and up to the hour this was written had failed to give it. It is claimed that Triplett sold the whisky by taking orders from various parties. His arrest created a sensation, as he is prominently connected.

HOW TO BE LOST IS SUBJECT OF SERMON

Rev. William Cumming is Conducting Services This Week at First Presbyterian.

Rev. William Cumming began a series of special services at the First Presbyterian Church Monday night. Mr. Cumming had a good audience and preached an interesting sermon on "How to be Lost." The services will continue Tuesday night at 7:30 and every evening during the week. All are urged to attend and strangers are welcome.

Mr. Cumming said in part:

"I should like to preach the gospel that all with inherit eternal life. But my reading of the Bible does not permit me to do so.

"We know nothing of the future life except what we learn from the Book of Books. It stands as God's revelation to man. If you take from it, one jot or tittle you destroy the entire book.

"And when you read that book you find that Jesus Christ himself tells you that unless you believe in him and live up to his teachings you are surely lost."

The subject for Tuesday night is "How to be Saved."

ROOT IS SLATED

For Thomas Platt's Seat in United States Senate.

Washington, Nov. 10.—It is the general opinion in Washington that as a result of a long conference at the White House between President Roosevelt, James Wadsworth, Jr., speaker of the New York state assembly, and William L. Ward, Republican national committeeman, the man who will be supported by them next January as the candidate before the New York legislature to succeed Thomas C. Platt on March 4, 1909, as United States senator from New York, will be Elihu Root of Clinton, N. Y., the present secretary of state of the United States.

Neither Mr. Ward nor Speaker Wadsworth would discuss the matter, but it is known that the secretary is not averse to accepting the candidacy providing he is assured there is no opposition to him. President Roosevelt personally favors Secretary Root for the senatorship.
